“ Hi kids, it's me Kathy Zarate, Henry and Mltzi's daughter. I don't know if you remember me very well, but I remember all of you. I was so sad to hear about your mother, God Bless her soul. I haven't been in Moses much lately, I live in Kennewick. I will say a prayer for her and all of you. She's happy now and feeling good, it's going to be hard to let her go, but I think she would want that for all of her loved ones. God bless you all. “ I will never forget her smile and carefree spirit and what she meant to our family! I shared a lot of time with Honey, Cathy, and Mookie because she saw to it that they went to church on Sundays! Most of all, Dorothy meant the world to my mom and was a friend like none other. You will be missed in our hearts and in our memories!##imported-begin##Dawn (Freeman) Khaafidh##imported-end##

“ Ms. Dorothy Hester. How do I relate to what your life means and has meant to me in such a short space? First and foremost I learned many many years ago, FAMILY COMES FIRST! In all my life I have only crossed paths with a few that were as selfless and giving as yourself. This life lesson I still embrace to this day, and this is partly in response to talks with you on your concerns, and pride of your different family members. And sometimes you made me laugh so hard my sides would ache. I shall miss you, and dearly. Thank you for allowing me to be part of you and yours. To the family, I offer my most sincere and heart felt sympathy. Know that you will be in my heart and prayers during this time of sadness, and in the future. God be with you and help you now and in the future.
