“ I can't begin to say how crushed I was to hear of Doug's passing. I was lucky enough to "run" with Doug through-out high school and for many years after. I was always amazed by his natural athletic abilities and wit.

As we prepare for our 35th class reunion this summer, unfortunately the reception and especially the dance floor will be a little quieter without him but his legend and stories will live on for many decades to come. Miss ya Dougie. TC##imported-begin##Tim Calnan##imported-end##

“ Doug was a friend and good guy. I went to school with him and also played Peewee football with him. I live in California, so I lost touch with him. The last time I saw Doug was during a chance meeting in the early 90's at the Kitsap Golf & CC.
