“ Over the years, about 30 I guesstimate, whenever I would see Doug, he and I would exchange a grin, then a smile, and then a laugh, all before either of us would say "how ya doin?" I think we were both thinking back to the time he worked for Lind Grange Supply and I was a customer and a board member. As we could always talk about the serious things and the funny things, I will always think of this scenario when remembering Doug. Larry Schafer

“ Was so disheartened when I heard about Doug ... I'll forever remember his wonderful, infectious laugh! Every class I ever had with him was a good time -- He had an amazing sense of humor and a huge heart -- One can never make sense of deaths when they happen to one so young. The Haase family is thinking of you all.

“ My condolences to Doug's family. Doug was a terrific person and I too was always taken in by his smile, laugh and spirited attitude towards life. He was truly a nice guy! 30 years ago, my girlfriend (now wife of 28 years) was stranded on Hwy 26 not far from the Lind. After some phone calls, it was a friend of mine and Doug (he had a car hauler trailer) that came out to help. I will always be in debt to Doug for this kind act and I know that he would do it again for someone else where ever he is now.

Thanks again Doug!

“ I'm so sorry for your loss Wanda, actually everyone's loss. It was always great to see Doug when I got a chance to get to Lind. we would have a beer, tell stories, and laugh all night long. I know I will miss that booming laugh of his. We had a lot of good times back in the day. He will be sorely missed.

“ Wanda, Debbie, Donna and David, Reid and I were very sad to hear of Doug's loss. When someone is taken, in the prime of their life, it is very hard to understand. We have come to believe that the young ones seem to leave us much too soon. What we need to try and do, while we grieve, is to remember that we were blessed to have them in our lives, even for such a short time. Our thoughts are with you, Reid and Priscilla Weaver

“ Well we sure lost a great guy and a lifetime resident of Lind way way to early in life. Wanda I'm so sorry for your loss of Doug, i will miss that wave he always gave me when i would go by his place and out by the farm where he worked for Wanda's brother. Well there is one thing i remember about Doug that i like the best and that is in the mid 80's it was a winter day in the Big Town of Lind We had a hell of a lot of snow Kenny Katsel and I were out doing what we liked best on a winter day spinning around in the snow. Well Glen smith just got grading main street in Lind and i asked Ken you think we can make it threw that berm of snow and about that time from the South side of town you see this Blue Ford Station Wagon with the front end up in the air full throttle hit that berm of snow and yes it was Doug and he made it about 3/4 of the way threw it and stopped and the tires were about 3 feet off the ground. Well that answered my question we would of not made it are selves!!!! Doug you will be missed by this guy very very much. Wanda if there's some you need Day or night you know where i'm at just up the street. Again so so sorry for your loss your class mate Big D.

“ Doug was a great guy to be around and I'll never forget his infectious laugh. He always treated me with respect and I always enjoyed the stories he told. My fondest memory of him was one of the "beer-a-mids" at Slims on derby weekend. Glad I added a few to that, Doug!
