“ I worked with Doug a short 9 months in 2010 as an auditor. He taught me much about the job and about how to treat people. He loved his job and he was good at it.

After I left L & I, I often thought about him and asked David Woods, the other auditor about him.

I loved to hear what he was cooking nextfor the Elks.

I know he will be missed by lots of people. I pray for strength for Carol and all of your family during this difficult time.##imported-begin##Vickey Stolle##imported-end##

He was a delightful companion and host as I stayed at their home in Madison Park near Lake Washington. “ Carol and family

It has been such a privilege to have known Doug for the past 35 years. During that time I've never heard him say a negative word about his family. He's always been so proud of you, Carol, and of Scott and Deanne. Scott, Doug often said he wished he had half of the natural skills and abilities you come by so easily. And his grandkids just make him melt. But, I knew him best at work. He was a tireless, conscientious worker. He was knowledgeable, honest, and fair. He always makes me smile, even the thought of him. And that's what I'll always have. My prayer is that you are blessed with God's peace during this very sad time for all of us.##imported-begin##Dale Paris##imported-end##

“ I WORKED WITH DOUG AT THE BANK OFFICE BY THE ELKS. WE STILL HAND STUFFED STATEMENTS AND USED 10 KEYS. WE KEPT SNACKS TO SHARE ON THE COUNTER FOR US AND THE CUSTOMERS. IT WAS A RELAXED ATMOSPHERE THAT OUR CUSTOMERS REALLY LIKED. WE EVEN STUFFED OUR OWN STATEMENTS AND USED 10 KEYS FOR ADDING. DOUG ALWAYS HAD A SMILE AND A STORY TO SHARE WITH US. HE HAD A WARM HEART AND TRIED SO HARD TO HELP EVERYONE WHO NEEDED IT. CAROL, THAT LIFE SIZE WALKING DOLL YOU MADE FOR MY DAUGHTER NICKI IS STILL A SUBJECT OF CONVERSATION. “ Life.....so fragile, Loss....so sudden, Heart....so broken,...in the wake of such a loss, we are haunted by things we don't, and may never understand. Yet the solace we seek may not come from answers. So we look for comfort in the belief of love's everlasting connection. May that love lift you and hold you close, and give you peace.##imported-begin##Angie Niemeyer##imported-end##

“ Carol, Scott, Deanne, Joe and Boys-

How do you say "Goodbye" to a friend? I cant! I will cherish the good times and good laughs that Doug and I shared together. His "teddy bear" interior is what I felt so close to. I will miss his laugh.....I will miss his smile (although sometimes I had to bring it out of him by force). I will cherish the fact that I know in my heart.....our friendship was a two way street. The Doug I know is the Doug you know in many ways. Kind...Considerate....with the qualities you don't find often in today's times. Kids.....Your dad LOVED you very much and both of you were the topic of conversation with us many times (He was so very proud of you!). To the Grandkids.....Grampa Loved you very much and was so very proud of you with your sports! He always had a glow about him when we talked about your baseball games. Carol.....my friend, the memories of a man who loved his wife more than life itself are the memories you will keep close to your heart. I won't say goodbye to Doug.....I will say.....we'll laugh again together one day. And until then, I will keep our friendship close to my heart. I will miss you Doug.....And I will never forget you!###imported-begin###Denyse Ottmar###imported-end##

“ Carol and family,

I was shocked and saddened to hear of Doug's passing. I have such great memories of Doug.....bowling together on the same team for many years was so much fun-he loved to bowl and was very good at it. He was a joy to be around. On a business level, many of us in my office interacted often with Doug as he audited our business clients on behalf of the Department of Labor and Industries. He always approached those examinations professionally and tactfully, with the intention of educating the business owner on the proper methods of reporting. He had a difficult job, but performed it with class, integrity and humility. I will miss him.##imported-begin##Rick Honsowetz##imported-end##
