

Doyne Palmer

April 21, 1928 - November 22, 2017

Doyne Hall Bailey Infanger Palmer was born April 21, 1928, in Thomas, Idaho, to Thomas Kerr and Orva Hall Bailey. Both her parents were school teachers and Doyne was an excellent student. Because she was advanced a grade ahead as a young child, she was barely 17 when she graduated from Blackfoot High School in 1945. Doyne married Reece Iverson Infanger in 1946; divorced in 1957. As a single mother with four children, she enrolled at Idaho State College (now Idaho State University); after four years, she graduated in 1961 with Bachelor of Arts Degrees in Education and Sociology. After Doyne graduated from college, the family moved from Pocatello, Idaho, to Moses Lake, Washington, where she started teaching for Moses Lake School District, in fall of 1961. After completing two years of teaching, she enrolled at Washington State University and spent 1963-1964 in Pullman, Washington, where she earned a Master's Degree in guidance and counseling. Doyne taught three more years before she started a 22 year career as a junior high school counselor. In her capacity of a classroom teacher and school counselor, she made a positive impact on many young lives. In 1988 Doyne retired from Moses Lake School District.

Survived by her three children: Craig Infanger and his wife, Janis, of Gilbert, Arizona; Tamara Infanger Springer and her husband, Alan, of Draper, Utah; and Hollis (Holly) Moos and her husband, Barry, of Moses Lake, Washington. Also survived by 16 grandchildren, 52 great grandchildren and 3 great-great grandchildren; a step daughter, Joni Palmer Smith; and two brothers, Brent

Bailey of Moses Lake, Washington, and Nyle Bailey of Blackfoot, Idaho.

Doyne was preceded in death by her husband, John C. Palmer, in 2012, and a daughter, Krista Infanger Robinson in 2011.

Member of the LDS Church. Doyne had been living at Brookdale-Hearthstone Assisted Living for the last five years.

Per Doyne's specific request, only a graveside service will be held. The service is scheduled for Tuesday, November 28, 2017, at 1:00 pm at Pioneer Memorial Gardens. In lieu of flowers, the family suggests donations to Assured Hospice of Moses Lake. “ I just found out today Mrs. Palmer my Jr. High counselor passed. I'm so sorry for your loss. This is so strange I had a dream recently and she was in my dream. Mrs. Palmer was always so kind to me I knew I could go to her for what ever I was dealing with. I knew I could count on her to have a good listening ear. My sincere condolences to your family. “ I just found out today that my dear, dear 7th grade teacher, and friend, is no longer with us. Mrs Palmer (as I always referred to her, regardless who I was talking to), was and always will be one of the best teachers ever!

She was my English/English Grammar teacher, and I learned so, so much from her. During my second year at Frontier, she then became a student counselor, but nonetheless.....she was there to help me when I needed help (or even questioned my 8th grade English teacher), cause she was just that good!!! She would always say to me..."remember, I after E, except after C".

What saddens me more is that I didn't get a chance to see her before she left. I got married really young and left town. So all these years I presumed she had retired and left Moses Lake. This is a very sad lesson for me, so as of today, I will do my best to search and find friends from my past and keep in touch with them, cause tomorrow may never come.

Mrs. Palmer even came to the baby shower of my first born, that's just how dear of a person she was! We played games and she gladly and joyfully participated. I still have pictures of that day!

My sincere condolences to all her loved ones, I know she will surely be missed. Rest in peace.....my friend!!!!

Thank you, Blanca, for your kind thoughts. She was almost 90 and up until a week before she died she was doing well for her age. She was blessed to go fast and fairly painless. It was hard on our family but we're so thankful she didn't suffer. Holly Moos (youngest child)

“ *Dee lived across the street from my family when I was growing up. Years later I caught up with her at Hearthstone when my mom was there. I was shocked she still rememberd me. We had a number of nice visits.*

“ *Doyne was such a support for me when I went to college as a single parent. She had high standards and set such a great example for many others. When I would see her she never failed to ask how school was going and always gave me good advice with words of encouragement, wisdom and guidance.*

Craig, Tami, and Holly, my thoughts and prayers are with you and your families at this time. Draw strength from each other and the assurance that Families are Forever.

“ *As a member of the LDS 10th ward my husband, Allen, and I enjoyed visiting with Sister Palmer at her apartment. I especially loved the pictures she had of herself and her daughters all wearing the same little pink dress. She was an elegant and gracious women. We will miss her, and pray her family to find peace and comfort in their loss. Christine & Allen Quinn*

“ So sorry for your loss. I will always remember sharing time with this fun, lovely lady at Bible Study. She had such a great sense of humor. Hold fast to all the memories. They are precious.

“ Mrs. Palmer was my 7th grade English teacher. She was a kind and helping teacher. I would see her once in awhile downtown and she always remembered me by name. Then around 1979 her and John moved next door to my parents. I have such fond memories of those years also. Her and John were missed when they moved but I met up with her again when I had family at Hearthstone when she moved there. She was a wonderful blessing.
