“ I am so sorry for you and your family, though we have not met, I felt compelled to express my sorrow and sympathy for you.
5 years ago we lost our own handsome baby boy, our grandson Kenneth, to sids. Not a day goes by that we don't think of him, miss him, we love him deeply, he is an important part of our lives and our family.
Remember your angel, talk about him....it doesn't ease the pain, but it does make it easier to talk about him without crying, at least most of the time.
We know there are no words, most of the time people say the stupidest things anyway.
You are in our hearts and prayers. And again we are so sorry for your loss.
Sincerely, Benita###imported-begin###Benita Shearer###imported-end##
