“ *Duane was amazing. He always had a smile on his face. He had so many friends I would say he had more friends than he didn't. He was such a great guy he would help anyone who needed anything if he could and if he couldn't he would find someone who could. In the past couple years I've seen Duane on occasion when he came to visit his mom and Pioneer Village. He was always so kind and talkative. It was like he picked up right where we left off. I will miss you dearly Duane. God bless you. It may an award open his arms and embrace you into eternal life. ❤️❤️❤️🙏🏻*
