“ *Dear Mike,*

*It is with great sadness that I learned of the passing of your father. Unfortunately we now have the loss of both our parents in common.*

*As you've learned already, these early days of sorrow are soon filled with pleasant memories as we recount the many experiences shared with our parents. This (current experience) too - shall pass.*

*I will be landing in Minneapolis about the time of your father's memorial service but please know that my thoughts will be with you and your family as I am flying across the country.*

*With deepest sympathy...*
