“Uncle Earl was a kind and wonderful man. I will always remember that big smile of his and the twinkle in his eyes. It was very obvious that he loved his family, the Gospel of Jesus Christ, and his gardens. He would do anything for anyone. He was a man of integrity. He will be missed, but he is now at rest.”

“ I will miss Grandpa Fuhriman, he was one of the toughest people I know, I remember how he took care of his own garden for so long and kept doing things even when they got difficult.

“ To Earl,
In the time I was able to spend with you I always admired you steady, calm influence. You were a dedicated family man who enjoyed being around your grand-kids. Thanks for your influence in the lives of so many and especially for my children.

“ When Earl returned from Germany, he brought a gift to each of his nieces and nephews. I still have the doll he brought me. It has a bisque head and a cloth body.
Earl was always special to us. Angie Grigg
