“ My Dear Eddie, I cannot find the words to say how much I Love and Miss you. You always told me to be strong when things aren't going so good but this time I am finding it very difficult to be strong. I am comforted in just knowing you are looking down upon me. You are with Our Mighty God now and I know he will take good care of my Vietnam Vet Hero. I will see you on the otherside..##imported-begin##Toni Hunting##imported-end##

“ My husband Frank is also a Veteran and offers condolences to all Eddie Sr. family and friends. Cordero loves music as his Uncle Eddie Sr. did. I will miss our talks on the phone, and going with our Dad to visit. The Vietnam Veteran touches my heart because I had three brothers all in the same war. I will really miss him. (My tears run as I think of his tough life. My last talk with him in May was about God and forgiveness, he kept God in his heart and prayers till his end. God Bless Him##imported-begin##Frank and Ida (Olveda) and son Cordero Reyes##imported-end##
