“ There are no words to explain the hurt we feel losing you. You leave behind two beautiful children who will always remember you for the loving, funny, hard working man and father that you were. You left this Earth unexpectedly and that will leave us with so many unanswered questions. May you RIP. Until we see you again Eder

I still can't believe this and I'm really sad. He was such a good friend and person from when I worked with him. I'm praying for all the family and especially Yesenia and the kids :(
