“ Dear Hodsons... I was just in town for Ileen Butterfield's funeral and actually stuck around till the beginning of the First Ward meetings to greet as many of my several brothers and sisters as I could. I was really hoping that Sister Hodson would be there. As kids we could always depend having her fun and dedication around us EVERY week at Church. I understand now that she was probably feeling poorly. I am so sorry to hear of her passing on. Pop passed at almost 95. Hense, anyone passing earlier that that seems way too early. Thanks Brent and Dennis for helping me and my family through the tough time to move into a new congregation, Explorers, Church sports. etc. when I was 15. I know you were following in the wonderful footsteps of our sweet Sister Hodson.. "Till we Met Again"...David Miles Oman (Sandy, Utah)##imported-begin##David Miles Oman##imported-end##

“ To the Hodson family

*My prayers are with you. I have fond memories of your mother from my childhood. I believe she was my Den Mother in Cub Scouts. She was a great lady. I hope you can find peace calm knowing she is reunited with your dad after all these years in joyous celebration. Hope you all are doing well.*
