“ *Ed will be forever missed, He was a caring person and always full of fun. We will always remember going to Ed & Barb's home for Thanksgiving & watching the Apple Cup together. It was a split audience of Cougs & Huskies fans with the Cougs coming out with the win!! Oh what fun that day was!!! Being together with such a wonderful family & lets not forget the fabulous dinner with included Barb's delicious potato salad. Barb & family we are so sorry for your loss, you are always in our thoughts & prayers but always remember some day we will be together again!*

Love Always,
John, Helen, John & Trevor Johnson
