“ Our deepest sympathy to your family at this difficult time. I always awaited Eleanors call for taxes at the start of a new year. Every thing was always in order. She was a gracious, caring and very organized woman. I will miss hearing her tell me all the news of the family from the year past. Two great people Eleanor and Max, and I was blessed to have know them.

Our thoughts and prayers are with you at this time.

“ In his later years my Dad would often call me Eleanor. He never used the name Elsie because my Dad didn't use nicknames. He loved your mother (his sister) so much. I am so happy to have known such a wonderful lady as your mother. I will miss the long talks we shared over the telephone. “ My friend Leah and I used to drop into Anita's during our walk home from Frontier. Your mom always had a welcoming smile, even though we were always "just looking". It was many years ago, but her kindness made such an impression.

May all your precious memories comfort you. You're in our thoughts.

“ *My thoughts and prayers with the Family.
I truly consider myself fortunate to have been a neighbor and friend
from 1966 to 2004. She was upset with me for moving in 2004, even
though it was only a few blocks away. After moving to Omak I did
drop in on her several times. I have many wonderful memories of
your mom and the dogs.*
