“ I remember Elizabeth as a young girl, as I was best friend with her Aunt LouieLee Schwab. I knew her as "Zip". Zip was always a sweetheart and in later years pleasant to visit with when you saw her in town. I appreciate her care and concern when she counseled a young relative working community hours in her working place. Her family will always miss her beautiful smile and her genuine caring attitude.##imported-begin##Jeanette Enzler##imported-end##
