“ Words cannot express my sincere thanks to Sonny Walker and the Walker family. I have had the great fortune of knowing Sonny and his wonderful family for the past twelve years. His passion and dedication to his family and the outdoors is without comparison. Thank you Sonny for all of the great memories, genuine friendship, and sage advice. God Bless you.

“ Sonny, we will miss you deeply good man. Have so many good memories since the first day you hit town. Had some great times golfing, shared many "adult beverages" and learned so much from your actions and examples. And best of all, you honored us by bestowing upon us nicknames! RIP friend. “ I happened to be driving by Guardians today going to Bud Clary, thought of Miss Linda and wondered if she had gotten her geraniums this year. I usually leave some for her. Then I saw the men and the flowers and I knew. She got more than flowers. I had to stop and give my condolences. They were so special to me. Still remember them so fondly. Glad to have gotten to know the family. Peace and love to you all...

“ I won't forget the day he drove the motorhome home, brought home the countertop roaster, or getting ready to go to another bass tournament. Superbowl time at Sonny's house. Wonderful people, just the best...love to you all...Christy aka 'twisty' <http://storage.lifetributes.com/Candles/new/candle-5.png>
