Enjoyed watching the tournaments pass by her window, and reminiscing about her tours with the girls. Stormy and Patty you are so special. Live in Joy and Love and know that she was so proud of all of you.*

“ *We send our thoughts and prayers to all of Erna's family. Your mother and grandmother was always a woman who spoke her mind. I especially enjoyed that about her. I remember her roses were spectacular. You could count on seeing her at the school, where she supported any activity involving her children. Ron recalls living across the street and playing with the "Kisler Kids" back in the days when Main Street was unpaved. Erna has touched the lives of so many people and her memory will stay with us all.*
