“ We will always remember all of the good pinochle games, laughs, and yard sales on Dahlia. The last time we heard from "Ervie" was on 5/18/2010 asking us where we were 30 years ago. The day Mount Saint Helens blew . . .oh what a mess we shared!! Gary said this morning he remembered the first time he met Andy. It was before your house was built on Dahlia and Gary was digging a "Dog Dooley" in our back yard. Andy came over and introduced himself and asked Gary what he was doing. When Gary told him what he was digging the hole for, Andy asked if he had really trained his dog to go potty in there. They both had a good chuckle and that was the beginning of a very long friendship. We will miss you Ervie!##imported-begin##Gary & Martha Richardson##imported-end##
