“ Linda: Thank you for taking excellent and loving care of my big brother, Gene. He was my baby sitter when I was little and continued to love and care about me all his life. He picked a wonderful person for his wife and for me, a terrific sister-in-law who has been like a sister. God has a reason for everything he does and I think he felt Gene needed a rest from his pain. God will help us through our loss of this kind, loving, funny, beautiful person who meant so much to us.##imported-begin##Delta Schoessler Quaintance##imported-end##
