“ *Evelyn and Vern and I go way back. She graduated with Vern. So many wonderful and fun memories. She did speak what she felt. Which was good, you always knew where you stood. We kept in contact with our computers, and have been missing her so much, since she moved to East Wenatchee. Love you Evelyn, you are with our God in Heaven now! We will meet again. “ What a girl Ev was. I remember working at the bus depot in 1967 and she and Carol Penn would come pick up the meals for the prisoners. (Back when there was a jail at the police station in Moses Lake.) She was always so kind and helpful. After all the years she always remembered me with a smile and hello Joan. Later my daughter got to meet her and felt the same way I did. What we lost, heaven gained. RIP with the loved ones that have gone before you dear, sweet Ev Joan Lobie
