“ I am the youngest daughter of Israel DeLeon - one of Tio Lico's brothers that has passed on to be with the Lord. Tio Lico was there for my siblings and I at my dad's funeral and it breaks my heart that I cannot return the favor and be there for his children in their time of need.

My dad loved all his siblings but of Tio Lico, I was compared to the most because I am left handed :) Any time someone would give me a hard time about that, my dad would defend me and say he has a brother that is left handed so it "runs in the family".

My condolences to my cousins and Tia! I know how hard it is to get through this. Please know you guys are not alone in your grief. Love you all!
