“ Paul, Selma and family. I know where your heart is now. Grief sucks. Lean into your grief and take one day at a time. Your pain will lessen but never goes away. God knows your pain. Remember to take a deep breath through the tears and anger. How blessed you are to have your Dad.##imported-begin##Kim Baltzell##imported-end##

“ I'm unable to attend the funeral this Friday because I will be out of town but I wanted to let the Avila Family know that I am thinking of them. Felix was such a wonderful man. He had a sunshiney disposition about him, you couldn't help but smile when you were in his presence. I spent countless hours at their house when I was little and remember how kind he was to me. I will truly miss him even though I didn't get to see him very often. God bless you and may you rest in peace. Sincerely, Penny Talcott Mayo###imported-begin###Penny Talcott Mayo###imported-end##
