“ Gabe, man. I can't explain how sad it makes me to learn about your passing, especially a few years later. I know we grew apart when I moved away, but I have never forgotten the great times I had with you driving from place to place in your little Tacoma with Krista and Stephanie.

*I'll always cherish how genuinely kind and thoughtful you were; there will always be a hole in my heart now that you're gone. You were one of the only people I ever felt actually cared about me as a person, and I'll always miss that hilarious chuckle of yours. I hope to see you one day again.*

*Love you, brotha.*
