

Gary Allen Holm

August 2, 1952 - March 14, 2022

Gary Holm, 69, Loving husband, father, grandfather, and great grandfather, passed away peacefully late on the night of March 14th Gary was born in 1952 in McMinnville, Oregon to Joyce and Roy Holm. Gary had 5 siblings. Gary lived in many places from Oregon to Washington to Arizona but settled in Moses Lake with the love of his life Kathy where they raised their two children. Gary and Kathy celebrated their 50th wedding anniversary last May with a vow renewal in their church surrounded by family and friends. Gary was always a hardworking man who spent most of his life driving trucks, hauling everything from fertilizer to grains to "spuds". He spent several summers in Alaska working in a salmon fishery. Even after his retirement, Gary kept himself very busy. Spending time at the family property up North replanting trees that were destroyed by fires, building cabins, out at the sand-dunes picking up garbage with friends, woodworking building everything from church piggy banks to Adirondack chairs. Gary loved spending time with his family, naps in his recliner with all the pups in his laps, and eating black licorice ice cream while watching old Disney movies. Gary is survived by his wife Kathy, son Chris, daughter Tammy, Sisters Pat, Tammy, Nancy, and Brenda, brother Mike, Grandchildren Spencer, Mykel LeeAnn, Aliya, Kendra, Mya, and great-grandchildren Connor and Emmett. Gary is preceded in death by his mother Joyce and father Roy. Gary was a loving man and friend to all, he will be missed dearly.

“ Kathy, Tammy, and Chris, I am very sorry for your loss. I don't remember a time that Kathy and Gary didn't live in the neighborhood from us while I was growing up. Gary was such a great guy, always smiling. I remember being at my mom's and seeing Gary riding his bike back and forth from his house to his dad's around the corner. Kathy, I am sending you and the rest of the family my love and prayers.

“ My wife Nancy and I spent a lot of time with my sister Kathy Holm and Gary in Moses Lake, Spokane, and Lone Wa. and vacationed in the same places like Arizona at a condo. We have a lot of great memories with him. There are a lot of great things about Gary but the one that always comes to mind when I think of him is his infectious laugh, didn't matter time or place if he got to laughing soon everyone was laughing not at any joke but at his laugh. I'm smiling now just thinking about it. Made a couple dreams together and one of them was having a traveling go-kart track, I guess we'll wait till heaven to do that and race on streets of gold! Actually, we came close to that with the GarKel special a demolition car lol lots of fun.

We will miss you Gary and a visit to Moses Lake will be a little less.
Love you brother till we meet again!!

“ Gary was a wonderful friend and always available. All I had to do is call him and ask if he could help me out and he was always more than willing to take time to come help me with anything. He was my go to guy for our Ranger Christmas Tree lot every day rain or shine. He was also a wonderful Ranger Leader with our young boys. He is going to be a Deeply Missed Buddy of mine for sure. RIP Dear Buddy until we meet again in Heaven. Love Lonnie & Judi. 💕💕💕

“ Sending all our love to you Kathy, and family.

I was blessed to meet Gary and Kathy in 2008 when I moved in across the street from them. The lord truly knew what he was doing to put me so close to them and I am so thankful for that.

Gary was such an amazing person who had a heart of gold. He always wore a smile, a straw hat and was always up for a conversation. He could fix almost anything and he enjoyed tinkering out in his garage. I loved seeing him ride his bike around the block towing the critters behind him. I will miss seeing him outside and visiting with him about the yard and just life in general. He will truly be missed by me and my kids! ❤️
