“ Dear Oliphant Family. First I want to send my condolences to your family over the loss of your father. I was sent these photos from a woman who's father went to boot camp with a Mr. George Oliphant around 1955-56 and her father took these pictures of George his friend. My father is also George Oliphant and she thought it was my dad. However, It wasn't, and I wanted to reach out to you to see if you think this might be your father. You can reach me at [tonyoliphant3@gmail.com](mailto:tonyoliphant3@gmail.com) if it is and you want these photo's. Thanks!
