“ *Uncle Gilbert was a very special person, I remember our trips to visit him and Diane in Moses Lake. I always enjoyed seeing all their animals and listening to his stories about him growing up around Walla Walla and Umapine. Because of Gilbert we were able to give our two daughters musical instruments that were the envy of a lot of their peers at WA-HI. Thank you Gilbert for everything you will be missed.*

“ *Uncle Gilbert also helped me to further my love of music. In high school, Uncle Gilbert helped me find the most beautiful, rose gold trombone. I have received so many compliments on my instrument over the years. I just pulled it out the other day to show to my 5 year old daughter, who was amazed at how pretty it looked and sounded, and it reminded me of the visits we made to Uncle Gilbert's home.*

“ I have Uncle Gilbert to thank for setting me up with the most beautiful flute for high school band. I still have the flute and pick it up from time to time to play the Wa-Hi Fight Song by memory. I remember visiting the house in Moses Lake to pick up the flute and seeing all the animals, I thought the emus were so interesting!
