“ *My condolences to Glenn's family. We have lost a wonderful man. He can make your heart smile from a story he would tell, just smile on his face or a joke. But everything he said was always something positive. He is dancing in the clouds. Prayers to the family for healing.*

“ *We were so sorry to hear about Glenn's passing. I knew Nanette from working with her at Head Start and we often shared stories about our fathers. Of course we had another connection since my great uncle Hubert Leaf was once married to Nanette's grandmother Greeba, Glenn's mother. It's strange how things happen some times. I know that Glenn will be missed by all his family.*

Please know that you are in our thoughts. Deb Campbell and the rest of the Campbell family, Marianne, David and Suanne
