“ Have a good day sweetie and be safe, words I heard every morning before I left to work at 3:20 am. I miss hearing it so much. I miss our jokes, I miss our fights, I miss the way you were a part of my life. I miss the love you had for me, I miss you being here with us. A family. My heart feels as empty as my home even though I am not alone. They say home is where the heart is and if this is true, one day we all will go to heaven and be home with you. I love you Mom.

“ There isn't a moment in any part of the day that I don't think of you! I'll always remember being a kid, in the back seat of the car with my brother, listening to you singing....."My Girl" I love and miss you more than words can convey! I'll see you again someday mom
