“ Graci and family,
Our sincerest condolences on the death of your mother. God measured out her life in years, days and minutes, and at the end of them, He called her home. The sadness is on our side, not hers for she sees the face of God. May you find great comfort surrounded by your family and friends. Your mother was a grand lady and was blessed to have you for her daughter. Though you were separated by many miles, your hearts were one. Jim and I embrace you.###imported-begin###Meredith and Jim Olson###imported-end###
