Guadalupe Castro Hernandez

Guadalupe went to be with the Lord on Aug. 28, 2022

Guadalupe was born in Robstown, Texas in 1940 to Josefa and Macario Hernandez. He married the love of his life, Luisa V. Hernandez in Ephrata, WA on October 30, 1962. He worked as a migrant farm worker for over 50 years picking produce in Texas, California, Arizona, Michigan, Ohio, Montana, and Idaho. His work ethic was to be admired. Later in his life he had his own trucking business for 10 years. He made many lasting friendships with several farmers in the Columbia Basin.

In his retirement years, he loved spending time with family and loving wife.

Guadalupe's family heritage was woven with music through his mother and father's side. Guadalupe played several instruments. The guitar was his first instrument at 14, but his love was the accordion. He started playing the accordion at 17 until his untimely death.

He faithfully loved the Lord all his life. He was a living example of a kind humble servant.

He is preceded in death by his parents Macario and Josefa Hernandez, Adan Jesus and Jose Eliberto Hernandez (brothers), and great grandchild Leandro Andres Hernandez.

*My condolences to Mrs. Luisa and all the all the Hernandez family.  
I'm sorry I missed his services.*

*I only got to know Lupe through his music and it was an honor to have  
played with him a few times but that was enough to leave an ever  
lasting friendship.*

*I thought of him often and his unique style of playing the accordian left  
a lasting impression that I will never forget. I wish I would've gotten to  
play music with him sooner.*

*From the short time I knew him I could tell he was a very humble and  
gracious man.*

*Rest in Peace Lupe, you will be greatly missed.*

“ *All of the time spent in the presence of my Tio Lupe are cherished  
memories, every visit brought joy, laughter, music and song to all  
family and friends. Mother's 80th birthday visit is one for the books  
for me (Texas), my tio Lupe brought with him music that lasted to  
the evening and stories of long ago. My uncle will be missed, loved  
and never forgotten. Our deepest condolences to his immediate  
family -my cousins and my Aunt Luisa and also to his siblings my  
mother Maria, Aunt Nat and Uncle Tito. We love you and we pray  
for comfort and strength through this difficult time. -The Hiles family*
