“ I miss you grandpa. I wish I could have been with you for longer. I miss going over to your house when I was young and watching baseball with you

“ Dena, I will pass along to my sister Mary and brother David that he passed. As a child I can only tell you how much we loved them. Carol and Mac, Dub and Neva all playing cards, and boating, and just being such good friends. He was there when Mac passed, and it was a comfort to us kids that there were such good friends when it happened. He was a kind, and generous man.
Warmly,
