April 20, 1944 - May 13, 2024

The family of Harvey Raymond Ruff of Warden, Washington is saddened to announce his passing on May, 13, 2024. He was born April 20, 1944 to Raymond and Hilda Ruff in Ritzville, WA and was the older brother to his sister, Bonnie.

Harvey was raised on a dryland wheat farm in Ruff, his love for farming and agriculture carried throughout his life. After graduating high school and Big Bend Community College, he married Barbara Gail. They had 2 daughters, Lori and Lisa, and he started his own farm raising wheat, hay and peas. He left the farm and became the manager for Brotherton Seed Company for 46 years before retiring.

Harvey was a 4-H leader, he loved sharing his knowledge and skills with the youth in his community. He started raising sheep to ensure the best stock for his daughters and other 4-H members. Harvey spent a great deal of time, yearly, at the Grant County Fair supporting the 4-H and FFA organizations plus enjoying the rodeos.

In 1992 Harvey married Susan Hoagland. They moved to a small Warden farm. Harvey and Sue raised cattle, horses, and a variety of poultry on their farm.

Harvey loved his gardens. He sold produce at the Grant County Farmers Market and helped his close friends, Dan and Roland Toya, sell their produce as well. Harvey had a passion for growing flowers. At one time he had over 300 dahlia bulbs, some of which came from his mom.

Harvey loved cooking and making some of his favorite dishes. A longtime family tradition was making German Sausage. Harvey helped friends Don and Kelly make sausages for Deutsches Festival.

Harvey was quite the fisherman as well. He salmon fished in the local lakes and rivers. He also took trips to Westport to fish.

Family was important to Harvey, he loved keeping in touch with his large, extended family. He enjoyed visiting people and hearing all about what was happening in the community.

A special thank you to those who helped care for Harvey, Dr. Jonathan Hansen of Spokane Cardiology, Dr. Andrew Howlett of Providence Orthopedics, Dr. James Calamia of Providence Medical Group Family Medicine, and Avalon Care Center in North Pointe, Spokane.

“ So are so sorry to hear that Harvey passed away. He was a wonderful person, who was liked by everyone who knew him. He was generous, thoughtful, talented, smart, had quick wit and full of compassion for others. We worked together in our early days, doing 4-H and selling sausage & food at the Deutsches Festival. He will leave a void in the hearts of his family & friends. Hugs to his family, Cathy & Paul Kersey

What a blessing for us to have Harvey and Sue as our neighbors and friends!! Harvey always wanted to help and asked nothing in return. As a matter of fact he wasn't very good a receiving help from others. Harvey was a regular at our brandings. He was the gate watcher. No calves were allowed to get past Harvey. Well maybe just one or two. He would always bring a chest of ice and pop and anything else we might have forgotten to bring to the ranch, along with Sue's pea salad. He drove tractor and truck and whatever else we needed during harvest. When our daughter played basketball they were some of her biggest fans, traveling to state and even to Boise to watch her. When the calves busted the fence and strayed and I was home alone, Harvey and Sue were right there to gather the strays and secure the fence. Thanks for the memories!!
