“ I have many memories of the Hamburg family - but one that will always stand out is the many times Helen took care of Joyce and my bird when our family went on vacation. I never went over to pick up our bird that the house wasn't spotless and smelled of some wonderful thing that Helen was baking/cooking. Helen was always kind to all of our family and was a good neighbor.##imported-begin##JoAnn Wenz (Froese)##imported-end##

“ To the family of Helen Hamburg
I also remember your mother/grandmother very well from the years we lived next door to her and your dad/grandpa as well. They were always very kind to us and to our dad and mom. We will pray for all of you and trust you know the Lord Jesus as your Saviour as we feel your dad and mom did and are now in a far better place.##imported-begin##Louise Kilcup (Froese)##imported-end##

“ *Many memories of your dear mother, Russell, and her always buying the "best" fruit ever for canning, pies, etc. But I will especially remember the care and concern she had for Mom and Dad (esp. after Mom went home). So sorry for your loss...praying for you and the family.##imported-begin##Marie Kilcup (Froese)##imported-end##*
