“ Hey Helen,

I was so shocked when I read your name in the paper. My heart just fell and tears to my eyes. I think of you so often. I remember when I was just a young boy and you and James would be fixing the rental houses to rerent and I would always stop and talk and watch the two of you while you worked, and remember when I was like 3 or 4 and I would get mad at mom and dad and I would run away to your house just across the street and stay at your house for awhile and then head back home. Wow, those were the days. You and mom would always be having the morning coffee at one or the others house in the morning, Really miss the good aldays in on Willow St. Well I just wanted to let you know I do think of you often and I will tell mom she talks about you often. We will MISS YOU Hellen.. Lois and Larry##imported-begin##Larry Lehto##imported-end##

I am thankful that my Dad & I got to visit with Helen maybe 2 months ago @ Perkins,she was still the DEAR that I remember. My heart hurts for her family that will miss her here on this earth but I Rejoice that she is in Heaven and will be warmly welcomed by family & friends.##imported-begin##Shari Salinas##imported-end##

“Helen and Jim were our landlords when we first moved to Moses Lake. We kept in touch some what when we moved into a house of our own. Many years ago I bowled with Helen on a leagueshe and I would sit on our front porch and visit since she lived rright across the street. she was a very special friend, she would ask about the kids who have all grown up and have children of their own. She was my childrens bus driver and they had Jim as a subsitute teacher many times through the years.

She was a fine lady who I thought the world of. Thank You Helen for being so kind to me through the years. I will forever miss you!
