

Hendrik "Hank" Mulder

November 6, 1942 - January 13, 2024

Hendrik, "Hank", Mulder was welcomed into the kingdom of Heaven on the 13th

of January, 2024 in Moses Lake, Washington at the age of 81. His life and legacy

was in his children and the plants and animals he cared for.

Born on November 6, 1942 in Venhuizen, Netherlands, "Hank" embarked on a journey to Canada in 1958 at the age of 16. He then found the courage to migrate to Washington in 1960 at the age of 18. For the majority of his life, he worked for farms and dairies. His hard work, dedication and love for animals were evident in every aspect of his life. He met his first wife, Maria in 1967 and

had 5 children, Hank, Linda, Richard, Martha and Jim. They moved to Grant County, Washington in 1980. They divorced in 1989. He married his second wife,

Susan Mulder in Ephrata, Washington in 1990. He went back to school at Washington State University in the early 2000's to be a certified Master Gardener. He retired from the grounds maintenance crew at Columbia Colstore

in Quincy, Washington.

A man of deep faith, Hendrick found solace and joy in playing the organ at the First Presbyterian Church of Ephrata. His favorite verse, Matthew 6:9-13, resonated in his heart, reflecting his commitment to prayer, family and a life

well-lived.

In his leisure time, Hank cultivated a passion for gardening and flowers, tending to vibrant blooms with the same care and tenderness he showed his loved ones.

He particularly liked his Dutch daffodils, tulips and roses. His green thumb was matched only by his love for horses and cows, a passion that brought him immense joy throughout his life.

Hendrick joins his parents Hendrick and Geertje Mulder, Sister Sietske Van Benthem-Mulder, Brother Tuenis (Tony) Mulder and daughter Linda Kay Hill.

He

is survived by his brother Karel Mulder, sister Antonia (Ann) Platteel and leaves a

lasting legacy in the hearts of his children, grandchildren and all who were fortunate enough to know him. He will be remembered for hard working spirit, unwavering faith, and the beauty he brought into the world through both flowers

and friendship. Hank was kind, gentle and patient. He could be stubborn at times,

the Dutch in him, but he would give the shirt off his back for anyone in need.

A graveside service for Hendrick Mulder will be held at Cypress Lawn Memorial

Park in Everett on Feb 10, 2024 at 1 pm. A Celebration of Life will be held at the

First Presbyterian Church of Ephrata later this spring.

May Hendrick Mulder's soul rest in eternal peace, surrounded by the flowers and

horses he cherished so dearly, and may his memory continue to bloom in the hearts of those he touched.

“ Hank was always such a kind soul. When he came into the licensing office he always had a smile for us and never gave us a hard time when we had to send him away to get more documents. He will be greatly missed. Our hearts go out to his family. RIP Hank.

From your friends in the licensing office, Lori, Kyra, Madi, Gwen and Diane

“ Hank was the most kind and caring person. He was always delighted in seeing me when I visited from the west side. He was one of the hardest workers I have ever met. I don't think Hank was expecting to take on caring for 50-60 horses at a time. He took the job on like a champ. I'm sure the new move to Moses Lake was kind of a relief, as the work load was reduced considerably. Too bad Sue and Hank could not have enjoyed their new place longer. Both will be sorely missed.
