“ *So sad to hear that you passed away! Me and Jessica use to be best friends and I remember spending most summers at your house or at least next door at the Larson Recreation Center aka Batting Cages. You use to care for me like I was one of your own. Always praising me and rewarding me for good grades when you knew I had a hard year keeping up. You'd make sure I got something every year for my birthday and even encouraged me to get A's. I just saw you not that long ago at WinCo where you got to meet my son and found out I was expecting again. You have always been so giving. You gave my son some dollars to get himself something. Even though you weren't a huge fan of kids(as you mentioned when you saw my son, in. Joking sense of course.) you always made sure we were taken care of. You will be dearly missed.*

*I will remember his positive attitude, his smile, his beautiful heart. Encouraging others always, very kind and thankful for anything that it was done for him to help him. Always yes, please and thank you. Never a complainer but a person that will try and do better for himself and others. I always had a good time with Henry and Maggie. You will be miss, Henry. I know you have your perfect body now and enjoying good health. Enjoy!! Martha Lyles.*
