“ Dear Zarate Family,
I'm sorry for the lose of your icon, mentor and father. It has been an honor to know Henry over the years. He was always on the positive side, helping my day go a little better. He reminded me of my father with his outlook on life, we could discuss politics and religion and not get mad at each other, that is a rare person. I will miss him. I am praying for all of you, God bless.

“ For more than fifty years I didn't hear from Henry then one day last September his message on my voice mail caught me by complete surprise I Immediately called him back and proceeded to carry on a conversation for an hour and a half catching up on life then reminiscing about back in the day his laughter ever prevelant strong as ever. .we spoke a couple of times after that, the last time he mentioned falling down and hurting his head but was Ok I guess in his own way he was saying good bye .Though we didn't see each other for so many years he too was never forgitten ..My Sincerest Condolences to all the Family

“ I hold your family in my thoughts during this time of sadness. Take comfort that he is in a much better place and free from pain. I could always count on a smile and a "hey good looking" when I ran into him at the store. I will be out of town at a conference next week, but will keep you in my prayers. Lisa Crum
