“ I'm Bill and Lucille Orrell's 2nd daughter.
I know there is nothing adequate to sign at a time of loss like this.
But I wanted you to know that I loved Hilda and have some of the
sweetest memories of her while we were living in Moses Lake all
those years ago and how welcome she always made us feel even
after we moved over here. Her bread was more than amazing!

My Mom considered Hilda a very dear friend and it gives me a
measure of comfort to think about them together once
again.##imported-begin##Stephne Orrell##imported-end##

“ To Hilda's family,

May God grant you peace in this most difficult time. It is a thrill to
hear of a dear neighbor that gets to see Jesus. One day we will all
be together. I can just imagine her having a wonderful conversation
with my parents now as they all enjoy worshipping our Lord in his
presence.##imported-begin##Otto Burden##imported-end##

“ We are so sorry for the loss of your dear sweet Mom. She will always be remembered for her Christian faith; the devotion to her family; her beautiful flowers; her good garden; all the corn we cooked, cut and froze; all her canning; her good cooking but most of all the most delicious rolls she baked. We will always have a great appreciation for all of things we learned from her and have fond memories of all the time we spent with her. They don't come any better than Aunt Hilda. She will truly be missed by all of us who knew and loved her.
