“ *My cousins,
My sorrows my lost, My condolences to you all. I can't say goodbye to my Uncle Paul. It's like losing my Dad all over again. But this isn't about me. Uncle Paul had some big shoes to fill and I truly am grateful that you shared him with me. He wanted so much to see his brother's little girl "Nina Marie" before he departed this world, well he did. On his last trip to Tx he got to see her. He loved all his nephews and nieces every last one of us, none more than the other. You will be greatly missed. God where do you begin? I Love You Uncle Paul. Thank you for all the love you shared "All across Texas" your niece.*

“ *Love and hugs from Florida. We were so happy to be able to be with The family as we celebrated Ashleigh and Tommy's wedding. It was wonderful to have that time with Smitty his laughter and smile will be missed by many. We love you all and pray for comfort and strength as you gather together to celebrate the life of this father and grandfather. May you grieve for a moment then smile for a lifetime as you remember what he meant to everyone.*
