

## Holly Ann Hutsell

April 29, 1933 - January 28, 2017

Holly passed from this life in the early morning hours this past January 28th well cared for and in a warm bed. Thank you Lord. Thank you Penny. She had a long and productive life. Born in Edgar NE and raised in Chelan WA, she lived her adult life in Moses Lake WA. There she raised her family, graduated college and taught elementary for several years. Throughout the years she stayed active in her church and several service organizations. Holly was a life long learner and loved to read, later in life she learned to bird watch, cross stitch and quilt all of which gave her great joy. She always found hope in her faith, strength in prayer and inspiration in the Bible.

Holly is preceded in death by Scott, her son and Lee, her husband of 61 years. She is survived by her son Wayne(Rebecca) Hutsell and their sons Abraham and Eli, her daughter Lisa(Matt) Mattson and their daughters Alexandra and Ashley, daughter-in-law, Felicity, three sisters, Neita, Pat and Jule and many nieces and nephews. A special thanks to Lakeside AFH for your attentive and loving care.

“ *The Hendricks family has considered Lee and Holly Hutsell as good friends for more than 40 years. We were saddened by Lee's death and now, with Holly's passing. They were a devoted couple who cared for each other as age and disabilities demanded. Holly was a colleague, employee and friend during my years at Knolls Vista and as fellow members of the Presbyterian Church. She always had a hug, asked how Lori and I were doing, and especially how my mom and dad were faring. Holly was a sensitive, kind, caring person who we will miss very much.*
