“ Dear Family. I saw in the Journal Times that Howard has gone home to Heavenly Father. I am still missing Lois so much. Now, they are together. I don't know if you know, but I live right by Marcine Gering Kravitz here in Oregon. We share a log of family geneology as mom was Lillian Gering Kison, as you probably know. I have been searching....through our families for a picture of my grandmother, Paul Gering's wife, Mathilda Steffen Gering. Do any of you know if Henry and Bertha or any one has a picture of her...she died when I was three, and I long to see a picture of her...I have one of her wedding to Paul and one of them in front of their house when they were much older. That is it. You can call or leave me a message: 503-984-2360 or e mail me: beverlyparkhurst@comcast.net Mailing: P.O. Box 21147 Keizer, Oregon 97307 God bless you and comfort you in your loss.##imported-begin##Beverly Kison Parkhurst##imported-end##

“ We were sorry to read of Howard's passing--Moses Lake didn't seem the same without his visits to the Post Office. We knew he'd always had well-meant intentions with anyone he'd meet--our sincere condolences to the family. His blessings are in our prayers.##imported-begin##Craig Hickman & Debra LaPierre##imported-end##
