*Remember when I prank called you for a week straight screaming "Yeedalis" and you thought I was an old Mexican man. Lmao I didn't tell you until you were so so scared & thought you were being stalked. My bad about that... you were my person..I could come to you for anything and about anything knowing you'd pass no judgement. When I went into labor with Brielle & my water broke you were quick to say I'm five minutes away we are going to the hospital!!! I wish so badly I would've let you pick me up. I know you would've stayed with me and Atleast got to meet my little princess. Now I know you're watching over both of us but I still wish it didn't have to be this way. I love you forever sweet cheeks. Until we meet again 🥺🥺💔*
