“ I am so sorry to have heard about your mother and father's passing. Many many years ago your father baptized me in the Moses Lake Ward. I will be forever grateful for the love and support your family showed me. I will remember your mother for the beautiful quilts she made. I still have the patterns I copied when I was out their over 40 years ago. My thoughts and prayers are with your family.##imported-begin##Meredith Belsky Norton##imported-end##

“ *Sister Ellen Warnick,
In regards to the passing of your mother I empathize with you on the loss of her. Though I didn't know her well I knew her husband, your father well. Though I didn't have much contact with them after the 1950's I am sure that they had a good affect on the growth and development around the Frenchman Hills area. Knowing you and your loving personality speaks much of their character as your parents. Love your brother in the Gospel. Vernon##imported-begin##Vernon Cook##imported-end##*

“ *Such an amazing woman, she taught by example and was always the first to lend a helping hand to someone in need. I will never forget playing in her yard when I was young and visiting with her on Sundays when I should have been in class :) Her smile and her words will stick with me. She was loved by all and will be dearly missed. "God be with you 'til we meet again" With all my love...##imported-begin##Jessica Blackwood##imported-end##*

“ *I had been promising Jackson I would bring him to see Idris after she became homebound. I told him Tuesday morning before school that I could take him that night when I had to drive out that way. I have felt so bad that I didn't get Jackson out there. Idris was the most wonderful primary teacher for Jackson, and during his time in her class we moved to Boise. She sent him several cards and letters to cheer him and let him know he was missed. When he had a reaccurance of his disease in 2009-2010 we got lots of love and "squeezes" whenever she saw our family. Sweet letters of encouragment came to Jackson at that time also. The four years I was primary president she never failed to send the primary kids a thank you card after the primary program, and tell them how wonderful they did and how grateful she was for their spirit. I have had the opportunity to speak at a few baptisms and when I talk about the Holy Ghost I always bring a box of "Zingers" and tell them about Idris and they way she describes feeling the Holy Ghost testify of truth---she gets a "Zinger" the children love that example! We love your family and can't believe we won't see Idris in her place on Sunday anymore but we are so glad to know where she is and who she is with!!*

“ *Dear Hebdons and Warnicks... So sorry that your mom is passing over to the other side of the veil. It is certainly tough on those of her loved ones who are left behind. I know she and Keith are having a beautiful reunion. I wish I was just a bit closer and I would absolutely be in attendance at the services. May I offer my prayer and good wishes to you all. I love and miss you and your mom and dad. My Mom and pop are absolutely there as well to greet your mom. God bless you all. Stop by and see me and Alice when you guys get down to Utah.
