“ My relations with the Butterfield family throughout 45 years of my life have influenced me for good, for true joy and unbounded fun. I love you all and am so glad you took me in just as my mother and father, Dorse and Margaret, welcomed you into our life and home.

Many thanks for patiently waiting for me all those many morning that i might get to Seminary. Sorry for making Ileen late to Samaritan Hospital.

But.. Sister Butterfield.. you raised a great family amid many challenges. I know that you can look down here upon us and feel the love we have for you and yours. Thanks for the chance to sing for you after Morgan Hansen's funeral earlier this year.
