“ *Louise was a very loving giving woman who would do anything for her family and friends. She was my second mother since I was 9. She is now with Bud and with the rest of the family. No more suffering. You all went beyond the call of duty for her. We love you all*

We had the privilege of working with Louise for many years, and forming a long-time friendship with her. We are so sorry to hear of her passing and want her family to know they are in our thoughts and prayers.
