

Jack A. Radonski

October 18, 1936 - August 11, 2011

Jack Allen Radonski, 74, of Othello passed into the arms of his Savior on August 11, 2011 after a long battle with congestive heart failure. A memorial celebration will be held on Saturday, September 10, 2011 at 2:00 PM at First Presbyterian Church in Moses Lake. Arrangements are in care of Kayser's Chapel & Crematory, Moses Lake.

Jack was born on October 18, 1936 in Ferndale, Washington to Anthony and Elva Radonski. At the age of fifteen he began his career as a baker, working his way up the ranks by sweeping floors, to become production supervisor at Best Pie in Seattle. He would hold a similar position at Vern's Pies in Spokane, Washington.

In 1951 he met a beautiful young woman, Dorothy "Dottie" Mae Hatherell, and on December 2, 1955 they would wed. She was the love of his life. Together, they would have two children, William Allen Radonski and Toni Lynn Young.

Jack spent the years of his retirement doing the things he loved: Hunting, fishing, and golfing; he trained his own hunting dog and raised pheasants for the state gaming department; often times, he could be found in his woodshop making a wonderfully crafted item for a friend or family member, or tending his prized vegetable garden; and he loved to sit next to a campfire, be it on one of his frequent camping trips, or in his own backyard. He and Dottie attended First Presbyterian Church where he would utilize his numerous handy skills to serve its membership and his community.

Jack is survived by his wife Dottie. Son, William Allen Radonski and daughter-

in-law Donna Radonski and their two children Nick Radonski and Taushka Donovan. Daughter Toni Young and son-in-law Tim, and grandchildren Matthew and Brooke of Bellevue.

Jack was dearly loved by his family and will be greatly missed. His gentle, unassuming manner and laugh will forever be remembered.

“ Dear Dotti,

My heartfelt sympathy to you and your family. I will always cherish my childhood; I have so many memories of you and Jack at our home, and at the lake. I'll always be ever thankful for the day that Jack taught me how to properly use a chef knife; sounds silly, but as a caterer this is a skill I use daily. I'll never forget his gentle way with all of us kids or most of all his laughter, no one could make my mom laugh like the two of you! There are places within our hearts that can only be filled with memories, and there are places in our souls that can only be healed by time. May you find comfort knowing that my thoughts are with you during this difficult time. And may you find peace knowing that there is one more person in heaven, celebrating our Savior. Love you always, Lynda Barnett McDaniel##imported-begin##Lynda "Barnett" McDaniel##imported-end##

“ Dear Aunt Dottie, Allen, & Toni,
I will always be thankful for Uncle Jack in my life. He was often an anchor to me and my sisters. Like a second Dad, I could always count on him (and Aunt Dottie too). I always loved his easy way, his smile and his laughter. It was such fun to come to your house, Aunt Dottie, and have holiday dinners when we all lived in Bellevue! Uncle Jack accomplished amazing things very quietly, and never boastfully. Always there to help others; always encouraging people rather than criticizing. And, he worked so hard for his family, because his family was everything to him! It was a joy to see his faith and love for the Lord grow stronger and stronger over the years. I will miss you, Uncle Jack, until we meet again. I know you are in heaven with my mother; at peace and no more suffering. You two are probably fishing, hunting, and baking pies! Thank you for always being there for me. Love you always, Cheryl*##imported-begin##Cheryl Parker##imported-end##*

“ Some of my fondest youthful memories surround Uncle Jack at the dining table, rolling dice for the "marble game" with that smiling, easy-going look on his face. Always warm, always willing to spend time talking although there were plenty of more adult/fun things to do, and always supportive to me, my family, Dad and Mom throughout all the trials and tribulations. I learned a great deal by watching Uncle Jack (and Aunt Dottie) live their inclusive and loving lives. It helped me more than they can know. Lee and I send our love and sincere condolences to the family...please find comfort in knowing Uncle Jack was just, well... the the "best" and will be missed.##imported-begin##Roxanne Bilski##imported-end##

“ It is hard to put into words the feelings of Peace and sorrow we have right now. We know Jack is in the spirit world, Paradise, where he will live in a state of happiness, a state of rest, a state of peace, where he will rest from all his troubles, from all his cares, and sorrow. Jack will always be remembered as a wonderful member of our family, always thoughtful, giving, and caring. He was a walking miracle to us with all his health issues, determined not to let them get him down. We will miss you Jack in all our family get togethers, but we look forward to seeing you again. We promise to keep watch over your family, especially Dottie, until we meet again.##imported-begin##Skip and Myra Beard##imported-end##

“ Well... It's been a week now and I have not stopped thiking about all our good times together papa. All I can say to you is thank you for all you brought to my life..the summer vacations together..fishing..building..and I could go on for hours!! I love you and without you will never be the same! I will take care of granny while your apart.. I wrote a little poem for you!!

Just Like Him

*He taught me how to build a fire;
he gave me hope and desire.*

*He taught me how to share;
he told me that life wasn't fair.*

*He taught me the washerboard game
and always supported me in my fame.*

*He bought me ice-cream
and listened to my every dream.*

*Together we spent so many summer days,
we never ran out of things to say.*

*Without him I don't know who I'd be,
but one things for certain I wouldn't be me.*

*He taught me how to be just like him,
and I already am within.*

*RIP Papa Jack you taught me to be who I am today and I will love
you forever for that..###imported-begin##Taushka Donovan

“ We so enjoyed our times with Jack and Dottie: hunting, fishing, wood cutting and hauling, game nights, church camps, home Bible studies. Many times I watched Jack lovingly care for his vegetables and flowers from my patio. He was always willing and eager to help me out when I started a project that was too complicated for me to finish. We will miss him very much.##imported-begin##Don and Joan Smith##imported-end##
