

Jackie L. Yurian

August 23, 1961 - September 6, 2014

Jackie (Brittain) Yurian, the heartbeat of our family, our wise & courageous mother, grandmother, & friend, was welcomed into Heaven on Saturday, September 06, 2014. She was born in Moses Lake, Washington August 23, 1961 to Judy Sawyer. She graduated from Moses Lake High School.

Jackie married her best friend, Richard Yurian, and worked as a caregiver in Moses Lake while raising her two handsome boys.

Jackie's personality was as vibrant as her red locks. She was confident, independent, thoughtful, generous, & always dependable. A friend to many, she will be missed dearly. As a mother, her children were blessed to have had her; her grandchildren loved her to the moon & back. She was involved in the lives & activities of her children & grandchildren, always reminding them how proud she was of them. She was the wife/mother known to support all of the family's hobbies, whether absurd or not, including car shows & mud bogs. She was the grandmother that never missed a sporting event, award ceremony, birthday party, or the opportunity to paint tiny little fingernails. Her heart was open to the unknown, befriending many. Her family's needs often took priority over her own. She enjoyed entertaining her family with meals (making green pies "just because" for a special little man in her life & presenting the annual trophy for most-weight-gained on Holidays), spoiling her dogs whom she thoroughly enjoyed, creating pottery, camping, exercising frequently, as well

as horses & rodeo, a passion that stemmed from a young age. She made many amazing friends through her involvements within the community. She loved & was loved deeply.

Jackie is survived by her beloved husband: Rick Yurian; her children: Richard (Michelle) Yurian; Justin Yurian; her daughter-in-law: Valerie Yurian; her grandchildren: Ricky, Bruce, Jordan, & Cassidy Yurian; and brother: Mike Brittain. She was preceded in death by her grandparents Ross & Thora Brittain & her mother Judy Sawyer.

Jackie's service at Kayser's Chapel will be on Friday, September 19th at 2:00pm, 831 S. Pioneer Way in Moses Lake. Please sign the online guestbook or leave a note for the family at www.kayserschapel.com Arrangements are in care of Kayser's Chapel & Crematory.

“ I got to know Jackie at Anytime Fitness. She always had such a positive attitude and friendly smile. I admired her willingness to work out in spite of physical issues. She even loaned her medical hand splint to me! I missed her when she started going to Snap Fitness. My condolences to her family and friends. Sincerely, Rebecca Hutsell

“ I will always remember the days when we would "attempt" (even though Justin was ALWAYS too tired) to get Justin to sneak out of his window in the middle of the night so he could help us sneak Seth out. Some how I was always the one who got nominated to go knock because no matter how quiet we were or what time it was Jackie would always hear us (most of the time she would hear us before Justin would if he even woke up). Jackie would always come out in her PJ's and you could tell she was not happy but some how we all knew that if it was Valerie's little sister that Jackie caught knocking, Jackie would never get mad and she never did. She would always greet me with a smile and she would say "Oh, Hi Jesse, it's you" as if she expected Val to be standing in front of Justin's window in the middle of the night lol. In the back of her head I know she was pretty annoyed at the same time but never got mad at me lol (I would be if two girls were knocking on my sons window).

I will always remember stealing Valerie's turkey pottery plate that Jackie made and refusing to give it back. I will also always remember seeing Jackie at sporting events and birthday parties for Bruce and Jordan. Most memorable I will always remember her name for me "Jesse" no matter how old I got.

I know that no words or stories will ever take away your pain Justin but Seth and I are always thinking about you and I am positive that your mom is watching over you, Val, Jord, Bruce, and also your dad.

Love, Seth, Jess(Jesse), and Ella

“ *She was like a second mom to me, her boys like brothers. Her personality like a tempest, amazing and beautiful but don't get on the wrong side of it. Love and laughter were main ideas whenever visiting, whether we were visiting or they were. She will be missed.*

“ I watched Jackie and her family move in next door to me going on 17 years ago. I knew then life would never be the same. I always looked forward to Jackie's phone calls and conversations. I always knew if I needed something she was there. She will very much missed by everyone in my family.

“ Jackie will truly be missed by her BML family. She was very kind in answering questions of members who don't post often and I for one loved reading her posts about her pack. She has been taken way too soon but I am sure she is with her friends and family both 2 and 4 legged.

“ Always enjoyed being on a treadmill next to you, Jackie, and hearing about your grandbabies or me venting about life. We also spent many days sitting at that desk with Krystal when we should have been working out. I'll miss catching up with you, when we would pass each other in the store. You will not be forgotten.

“ Luv u Jackie. You have no idea the impact you had on the kids and my life. I still remember the first time you walked into the gym. We talked for over an hour and I knew then you'd be in my life forever. Your smile and laugh will be remembered forever. Rick, Justin, Valerie, Bruce and Jordan....Jackie loved you all and I enjoyed hearing the fun stories of the green pie and Jackies dessert recipes off the internet. Our prayers are with you.
