“ Met Jackie, Rod and Shirley the first day of kindergarten. Rod and I started together.Lost touch till the summer of 7th grade when my parents moved this city girl to the distant land of Mae Vally. Jackie and I became best friends for a long time. She was my maid of honor...before we could drive our parents got tired of hauling us back and forth so they gave us wheels. Jackie got "greeny" a frik`n real john deer farm rig ! I got a Suburban made in 1969..our boundry was Goodwins house to the state park..made many trips up and down that road.
