“ My sympathy goes out to the Boltz family. Jim and I were young boys, spent a lot of time with him, a lot of fun times and they all have flashed in my mind. Chop was one of the (Boys) for sure, I could talk forever about the fun things we did together and I will never forget. RIP JIM RIP

“ My deepest sympathy to the Boltz family. I shall always remember "Chop" and all the good times we had in Igloo. I was always hoping to see him at one of our reunions but it never happened and I'm so sorry that it never will. God bless him and the Boltz family.
