“ *To the Newhouse Family;
I am really sad hear that Jim has passed. I worked for Jim on the ranch in Ford for several years changing irrigation lines, putting up hay, feeding cattle and harvesting grain, and had some really fond memories of Jim and Mark. Jim will always have special place in my heart and I will think him every time I drive past the Ranch on the way to my parents place.*

One of the greatest men I have ever had the pleasure to know well . Kind ' loving and intelligent . The kids loved him for his kindness as did so many people .

His love of life glistened and twinkled in his eye's with a unmistakable graciousness of gods nature . I will miss him greatly and as always think kindly of him daily for the rest of my years .

He is one that can not be forgotten .
